**BUSINESS
DIRECTORY
2026**

THANK YOU for choosing the Kiama Business Network 2026 Business Directory - your trusted guide to all things local, from shopping to services.

The Kiama Local Government Area - spanning Minnamurra, Jamberoo, Gerringong, Gerroa, Jerarra, Kiama Downs, and Kiama - is full of businesses ready to help you.

Our biggest takeaway from 2025 is simple: local businesses thrive when they support each other. The Network is now a space for growth, learning, encouragement, and honest conversations about what it means to operate here. It takes resilience and character to own and operate a small business in regional and rural communities like ours.

If you are visiting, don't forget to grab our retail map, highlighting the fantastic shops and venues across the LGA. The maps are also available at our monthly Seaside Markets where our local Markets Crew will be happy to help you.

Local business continues to be impacted by broader economic shifts but together we stay strong. Your support keeps our business community resilient and vibrant. We appreciate it.

Enjoy everything the Kiama LGA has to offer!

I'm proud to be your local voice in the Australian Parliament and to continue delivering cost-of-living relief, tax cuts and vital projects like Kiama headspace and the new Gerringong Surf Club.

I'm working hard for you. I'm fighting for better roads, a safer Princes Highway, improved community infrastructure and services, local jobs, housing, education and apprenticeships, for better health and aged services.

I can help you with issues like Medicare, Centrelink, aged care and pensions, the NDIS, Veterans' Affairs and community grants. I can send you our Seniors and Pensioners Kit, and arrange special birthday and anniversary messages.
